1. The Affidavit filed on *March 20,2003** under 37 CFR 1.131 is sufficient to overcome the *Bates** reference.
2. The following is an examiner's statement of reasons for allowance: In addition to the sufficiency of the above noted affidavit to overcome the Bates reference, the claims (1-52) have been allowed because claims 1,6,15,16,23,33,and 43 recite a carton to carry a plurality of containers . There is a bottom and a top panel and sides. There is a tear line which extends through each side flap to form an opening and which also extends through the top panel. Claim 13 recites that the side wall has an edge that extends at an angle towards the exiting end to the attachment of the side panel and with a side end flap at a distance greater from the top panel than the bottom panel. Claim 30 recites that each of the side wall has an edge that extends towards the exiting end to a point on a foldable attachment of the side panel to a side end flap. The point is at a distance greater from the top panel than the bottom panel and when the dispenser is opened it remains attached to the carton. These recitations in claims 1-52 define over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.
